Dear Mr. White:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule H5 of your report discloses a transfer(s) of Levin funds for allocated Federal Election Activity from the "RPNM Allocation Transfers PO Box 94083" account. Please clarify whether this account is an account that functions as both a non-federal account and a Levin account or if it was established solely for the receipt of Levin funds for Federal Election Activity. 11 CFR §300.30

-Schedule H6 of your report discloses \$2,965.66 in payments for "voter registration table" to individuals. Please clarify whether these individuals are employees of your committee. You are advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on Federal election activity or activities in connection with a Federal election must not be allocated between or among federal, non-federal and Levin accounts. Rather, only federal funds may be used. Any reimbursement from your committee's non-federal or Levin account for salary and wage payments is not permissible and must be returned. Please provide clarification regarding these payments.

-Schedule A supporting Line 12 discloses a transfer(s)-in from Republican National Committee. Schedule H6 supporting Line 30(a) reflects payments for Federal Election Activity. Please be advised that under 11 CFR §300.34, a state, district or local party committee must not use any Federal funds transferred to it from a national party committee or any other State, district or local party committee, as the Federal component of an expenditure or disbursement for Federal Election Activity. Furthermore, your committee must itself raise the Federal component of expenditure or disbursement allocated between Federal and Levin funds.

Please clarify whether the transfer(s)-in was used for the subsequent payments for Federal Election Activity. In addition, please clarify the procedures you are currently using to ensure that Federal funds transferred to your committee from national, state, district and local party committees are not being used for Federal Election Activity.

-Schedule H4 supporting Line 21(a) of your report discloses a payment(s) for "salary" and "941 taxes." Please be advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on Federal election activity or activities in connection with a Federal election must not be allocated between or among federal and non-federal accounts. Rather, only federal funds may be used. Further, the Commission concluded in Advisory Opinion 2003-11 that amounts spent for employee-specific "fringe benefits," consisting of health insurance, disability insurance, life insurance, retirement benefits and payroll taxes, fall into the category of compensated time.

Any reimbursement from your committee's non-federal account for this payment is not permissible and must be returned. Although the Commission may take further legal action regarding this improper allocation activity, your prompt action will be taken into consideration.

-Schedule H4 of your report discloses \$874.75 in payments for "computer consulting" and "office cleaning" to individuals. Please clarify whether these individuals are employees of your committee. You are advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on Federal election activity or activities in connection with a Federal election must not be allocated between or among federal, non-federal and Levin accounts. Rather, only federal funds may be used. Any reimbursement from your committee's non-federal or Levin account for salary and wage

payments is not permissible and must be returned. Please provide clarification regarding these payments.

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Contributions from other political committees should be properly disclosed on a separate Schedule A, supporting Line 11(c) of the Detailed Summary Page. Please refer to the instructions for each line when determining the proper categorization(s) for your next filing.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
